Go Shine: 60 Years in Ministry

The inspiration for our Anniversary Logo came from Isaiah 60:1: "Arise, shine, for your light has come, and the glory of the Lord rises upon you."

Isaiah 60:1 picks up the story of God's people who, after a long struggle and severe opposition from surrounding peoples, were finally returned to their homeland. The returned exiles faced severe problems and were struggling to see whether God was still with them. In chapter 60, God speaks through prophet Isaiah and renews the promises of a new day for His people. He assures the people that God has not forgotten them and that their mission as a light to the world has not changed. The new events transpiring mark the beginning of God's new day for His people.

In the same way, times may have changed for the Brigades. The advent of a post-modern, millennial and digital generation has challenged many to wonder if uniformed youth organizations like the BB and GB are still relevant today.

But like God's message to His people through Isaiah, we are reminded that God has not forgotten the mission He has called us to. He remains the anchor of our souls, both sure and steadfast and He is still the light we seek, serve and follow. His call to us to change and impact young people – molding their character, preparing them as tomorrow's leaders, and providing a safe environment to form healthy, lifelong friendships – has not changed.

After 60 years of doing this, we are emboldened to go forth for another 60 years – marking a new era for the 1st KL Boys and Girls Brigade Companies.

We will take Christ and the training of the Brigade in our lives... and go shine.

SHINE

Arise, SHINE, for your light has come,
and the glory of the Lord rises upon you.

Isaiah 60:1

Message from Organizing Chairman, CHEONG SING YUEN

The number 60 has an important and symbolic meaning in our understanding of time. As 60 seconds carry a minute and 60 minutes add up to an hour -- both signifying a step forward into a new dimension -- 60 years mark a leap from the past into a new realm of possibility.

In Isaiah 60, God speaks through prophet Isaiah and renews the promises of a new day for His people. He assures the people that God has not forgotten them and that their mission as a light to the world has not changed. Similarly, though times have changed for youth ministries today, we are reminded that God has not forgotten the mission He has called us to. As frontiers of youth Christian Leadership and Character Development, 1st KL Boys' and Girls' Brigade remain relevant and influential in the lives of young people today. This 60-year celebration of the founding of 1st KL is more than an anniversary, it's a celebration of our time-honored commitment to serving God, who endures as the anchor of our souls and the light we still seek and follow. Our anniversary theme, "Go Shine," further reflects our aspiration to impact the lives of young people today.

As Chairman of the Anniversary Organizing Committee, I hope to share with you my joy and excitement in showcasing our ministries. Both companies have worked hard to make this year a year of thanksgiving and jubilation. I am fortunate to oversee how a meaningful occasion such as this brings together Boys, Girls, Officers, Former Members and Parents to create a series of events that highlight the work we do and the things we learn in the Brigades -- molding young people's character, preparing them as tomorrow's leaders, and providing a safe environment to form healthy, lifelong friendships.

And after 60 years of doing this, we are inspired to press on for another 60 years, marking a new era for both 1st KL BB and GB. We will continue to carry the torch of Christ to shine on, and especially to those who have yet to know Him.

Finally, I would like to take this opportunity to thank the following people: 1) Bro. Giok Leigh who was chairman of the organizing committee from Nov 2013 – Jun 2014, whose role in formulating the theme and objectives of the celebration is much appreciated. The arrival of a baby coupled with heavy workload has forced him to relinquish his position; 2) Both our BB & GB former members as well as parents of current members for their unceasing support. 3) Church leaders and members for their constant prayer and encouragement; 4) My committee members for their invaluable time and sacrifices; 5) All those who have worked tirelessly behind and in front of the scenes to make this anniversary celebration possible.

To God be the Honor and Glory!

Message from Pastor, REV. RICKY HO

A Diamond Jubilee celebration is indeed a happy and joyous occasion and a manifestation of God's blessings! Our 1st Kuala Lumpur Boys' and Girls' Brigade Companies are therefore indeed blessed to have accomplished 60 years of work as a Christian uniformed youth body among the boys and girls in Kuala Lumpur. I congratulate both the Brigades.

Thousands of young boys and girls have gone through the portals of the Boys' and Girls' Brigade of Wesley Methodist Church Kuala Lumpur and many of them have become leaders in various fields, and especially being leaders in churches.

Christian virtues and Discipline are the hallmarks of the Brigades. It is through the dedication of the officers that the young minds are taught and instilled with the love and saving grace of our Lord and Saviour, Jesus Christ, and arming them with discipline and integrity, the twin anchors of life's journey on earth, through the various activities such as military drill, badge classes, camps, band, and Bible study.

Thus, as we celebrate 60 years of the Brigades' presence and work in this Church, we give thanks to our Almighty God for leading the pioneers to establish such work here, and the officers who have served faithfully after that, and the many young lives who have benefited from their involvement with the respective Brigades.

We also pray for God's empowerment and blessings on the present batch of officers to continue the work of leading and guiding of young lives to our Lord Jesus Christ. May you remain 'Sure and Stedfast', and continue to 'Seek, Serve, and Follow' Christ.

Message from GB Captain, FELICIA CHOONG

Dear Members / Ex-Members / Friends / Families of the 1st Kuala Lumpur Boys' and Girls' Brigade,

Firstly, I would like to say thank you and am honoured to have all of you here to attend and support our 60th Anniversary celebratory event. It is truly by God's grace and glory that we are all able to come together tonight to witness and celebrate all the good things that have been provided by Him to OUR 1st Kuala Lumpur companies.

As the current captain of the 1st Kuala Lumpur Girls' Brigade, I could not have been more proud to be here and see how our company has progressed throughout the decades. Being a member who has gone through the rank and file in this very place, my biggest gift is learning about Jesus and finding my own destiny in life through self-control, reverence and sense of responsibility. It is one truly remarkable experience which you could only get through the Girls' Brigade that no other uniformed organizations in school may be able to provide.

In conjunction with our 60th anniversary, we have also chosen a bible verse which has the number 60 in it. Isaiah 60:1 says:

Arise, shine, for your light has come, and the glory of the Lord rises upon you.

In tonight's concert, we hope to show how this LIGHT has shone throughout all these years to thousands of girls and boys who have been a part of our carefully planned programs. After all, it is this LIGHT that has made a lot of our ex-members who they are today.

I would also like to take this opportunity to thank all the officers and instructors, past and present, and more importantly, Wesley Methodist Church for standing united with us for the past 60 years. May we continue this important relationship and bring more people to the Brigades and towards the light of Jesus.

Enjoy the show, everyone!

Message from BB Captain, YEE MUN THEAM

More than half a century ago, our founding members laid the foundations of a flourishing organization with the sole idea of making a positive impact in the lives of Malaysian youths. Sixty years later, the 1st KL Boys' and Girls' Brigade are still flourishing and growing strong, thanks to our Almighty God who continually guides us with His counsel and wisdom.

I am a proud product of the 1st KL BB for more than half the entire tenure, and I love every single moment of it! To be able to see God's hand in motion, to see the lives of the boys and officers touched and moved to fit into God's perfect plan, to see God's entire vision being made alive – this is a blessing in itself. The past 60 years have shown us how fortunate and blessed the Boys' and Girls' Brigade ministries have been for matters relating to spiritual and character growth. To this, I wish to record a sincere prayer of thanksgiving to our sponsoring church, KL Wesley Methodist, our current Chaplain, Mr Michael Wong, to the ever Stedfast, ever Sure officers and members, church congregation, parents and well-wishers.

I am confident in many more anniversaries to come, but I am even more confident that Christ will be journeying with all of us as we strive through to His eternal glory. In closing, I hope all members will have wonderful memories in the Brigade as we celebrate the unity of Christ's love which binds us all together.

Psalms 106:1 - Praise the LORD. Give thanks to the LORD, for He is good; His love endures forever.

Arise, Boys and Girls of the 1st KL BB & GB companies! As we celebrate with you on the 60th Anniversary, we praise God for His goodness and faithfulness over 60 years of building up the companies and raising up generations upon generations of disciples of Jesus Christ, our Lord and Saviour.

The Good News of the Gospel, indeed God's ultimate plan, has been made known to all creation and we bask in God's great handiwork.

Being members of BB and GB, you are the bright and living examples of the Lord in our communities that are entrenched in chaos and confusion. Now is the moment to shine brightly, show the world the awesomeness of God, working through your lives. Everyone has a unique life story of transformation.

Our world longs to see young men and women of good deeds and of sterling character, ready to be the best citizens our nation can expect.

Look around and you will notice how many are attracted to your commitment, even future generations will marvel at your achievements.

Rejoice that your service in humility will be fruitful and will reap rewards from all quarters.

Go forward to achieve greatness and be leaders of tomorrow.

God bless 1st Kuala Lumpur BB & GB companies for another 60 years and beyond.

**Message from LCEC Chairman,
GARY NG**

On behalf of the Wesley Methodist Church Kuala Lumpur, it is with great pleasure and thanksgiving to God that I send warm congratulations to the 1st KL Boys' & Girls' Brigade Companies as you celebrate your 60th Anniversary.

The Wesley Methodist Church Kuala Lumpur is delighted to see and partner in the growth of the 1st KL BB & GB companies. Through the years, many members of the 1st KL BB & GB companies have grown from young boys and girls through the ranks and have now taken servant leadership positions in the Church as well as in our society. This is made possible through the tireless commitment and dedication rendered by the leaders and officers of the 1st KL BB & GB as they set good examples of servant leadership mirrored after our Lord Jesus Christ.

It is our prayer that the 1st KL Boys' & Girls' Brigade Companies will continue to grow in the promotion of habits of Obedience, Reverence, Discipline, Self-Respect and all that tends towards a true Christian Character. May your light continue to shine as you seek, serve and follow Christ!

**Message from President BB,
LOH PAU JOO**

Greetings to you in the name of the Lord, Jesus Christ!

It is my pleasure to congratulate the 1st Kuala Lumpur Boys' & Girls' Brigade Companies as they celebrate together their Diamond Jubilee Anniversary. Indeed, to achieve such greatness through all these years requires contributions from extraordinary individuals toward the same great goal. I strongly believe that this celebration is a true testimony of God's work through the vision and mission of the founders of 1st Kuala Lumpur BB and GB. The aspiration of your 60th Anniversary theme, "Arise, shine, for your light has come, and the glory of the Lord rises upon you," reminds all of us that even in times of trials and tribulation, as long as we always keep the Lord on our side, we will eventually rise up like the phoenix from the ashes.

I would like to share with you the infamous Bible verses taken from Matthew 5:14–16:

*14 "You are the light of the world. A town built on a hill cannot be hidden.
15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house.
16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."*

As the President of the Boys' Brigade in Malaysia, I encourage all members of 1st Kuala Lumpur Boys' & Girls' Brigade Companies to carry on the ever-shining light of God's ministry and be a true testimony of God's Greatness from generation to generation.

**Message from President GB,
TNAY YONG HUA**

It is my pleasure to congratulate the 1st Kuala Lumpur Companies of The Boys' Brigade in Malaysia and The Girls' Brigade Malaysia on your joint Diamond Jubilee Celebration.

God has indeed crowned these past 60 years with "His bounty and carts overflowing with abundance" (Psalm 65:11). Therefore let us be "clothed with gladness and shout for joy" as we celebrate God's goodness together.

I salute the leaders, past and present, for your faithfulness and perseverance in overcoming the challenges, uncertainties and problems, armed with the empowerment of the Holy Spirit as you toil in this vineyard. Through it all God has transformed numerous young lives and the world is enriched.

I pray that this legacy will continue on in the years to come, a legacy that inspires us to give our best under all circumstances for the extension of God's Kingdom among boys and girls.

"I can do everything through Him who gives me strength." - Philippians 4:13

Blessed 60th Anniversary!

Message from BB Chaplain, MICHAEL WONG

Praise the LORD, oh my soul!

We give thanks to the LORD for His guidance in the journey of the 1st KL BB Company these past 60 years. As you celebrate your 60th Anniversary, may the music from your brass band find favour in our LORD and may your worship reveals the glory of His Son, Jesus Christ!

On this day, I pray that the BB will remain faithful to the LORD and continue to march forward as the Light to the World.

As of 30 June 2014, the 1st KL BB has 15 active Officers and 118 Members. Out of these Members, 66 are Senior, 36 Junior and 14 Pre-Junior boys. By its very nature, the 1st KL BB will invariably have a pool of Boys in whom their character could be developed and trained to leadership roles. From observation, I can confirm that, at least for the immediate past 30 years or so, the 1st KL BB has trained and mentored many leaders from amongst the Boys who are now actively serving or has served in the Church and in the corporate sectors. These leaders are a testimony to the success of your Mission "in developing character, producing leaders and encouraging brotherhood among our Boys." The Church can add value and enhance this training such that ALL these Boys could be developed not only as leaders but also as men of Christ-likeness – men with Christ-like mind as in Phil. 2:5-8.

Therefore, I pray that Wesley Methodist Church, Kuala Lumpur, and the 1st KL BB Company could collaborate and jointly develop a program whereby the Boys can be prepared "for the works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ" (Eph. 4:12-13). It is thus my wish that through this program, the 1st KL BB will truly raise up spiritual leaders from amongst the Boys, and that all the Boys would one day be genuine Disciples of Christ.

So, sing to the LORD with great joy as you celebrate your 60th Anniversary!

Message from GB Chaplain, REV. TAN CHEW MAE

Dear Brigadiers,

The 1st KL Boys' and Girls' Brigade have reached another milestone as they celebrate their 60th Anniversary with the theme, "Arise, shine, for your light has come, and the glory of the LORD rises upon you!" (Isa 60:1). It is no accident or superstition but a divine 'kairos time' that the chapter taken from Isaiah is numbered '60'. Isaiah's prophecy was two- pronged; firstly, to prepare the people for the exile and secondly, to return to their homeland. Isaiah 60 was a call to God's people to arise and shine from darkness staying in a foreign land because God, the Light, had promised to come and shine upon them and to lead them back to their homeland.

Today, this theme is relevant and appropriate, particularly, when we are living into the new millennium society. Young people are living in the midst of many personal, family and national challenging issues, and on top of that, massive global tensions. To be able to continue to reach out effectively to the city youths in spirit, soul and body, the 1st KL Boys' and Girls' Brigade must arise and steadfastly remain in the Light of the world, Jesus Christ. Remembering His word which says, "...apart from me you can do nothing," the 1st KL Boys' and Girls' Brigade cannot shine with their own lights, for they have no light of their own. They can only reflect the radiance which streams from Him, whose glory has risen upon them who have Christ. May you continue to arise and shine to raise up the standard of Christ for the youths in the world.

I would like to congratulate the 1st KL Boys' and Girls' Brigade, their Captains, Officers and Members, past and present by the grace of God, for making these companies what they are now today.

The Lord bless you all with a joyful and insightful anniversary.

Pioneer Pin

The Pioneer Pin is the highest National award of The Girls' Brigade

2003 Lt Lee Seng Mun

Did you know that the Girls' Brigade was originally founded under another organization called The Girls' Life Brigade? The Girls' Life Brigade later combined with The Girls' Brigade and The Girls' Guildry in 1964 to form the Girls' Brigade as we know it today.

In Malaysia, 1st Kuala Lumpur Girls' Brigade, more fondly known as "1st KL GB", is the 3rd company to be opened after 1st and 2nd Penang GB Company. Founded in 1954, 1st KL GB is blessed to be organized under the sponsorship of Wesley Methodist Church, Kuala Lumpur. We are thankful that the Church continues to support our ministry after all these years and are very grateful for all the blessings that have been showered upon our ministry.

As a Non-Profit Organization based in the heart of the city of Kuala Lumpur, we rely heavily on volunteers, who are known as officers. Throughout these 60 years, many women have sacrificed their time to nurture and care for the girls with the Aim of The Girls' Brigade in mind, which is "To help girls become followers of the Lord Jesus Christ and through self-control, reverence and a sense of responsibility to find true enrichment of life".

1st KL Girls' Brigade branched out and spread her wings to Methodist Girls Secondary School (MGSS) when our ex-captain Ms Tay Choon Neo received an invitation to start our ministry there. At MGSS, we have our meetings every Wednesday from 1pm to 3pm. The ministry there is headed by the current teacher advisor, Lt. Satkunamary Gnanakkan. The teachers who are assisting us at MGSS are also officers and we praise God for their faithful service. Currently, our MGSS wing has a total membership of 30 girls.

As we celebrate the 60th year of our company, we're proud to have a total membership of around 85 members in our various sections:

- Cadets Section (6-8 years old)
- Juniors Section (9-11 years old)
- Seniors Section (12-14 years old)
- Pioneers Section (15- 21 years old)

Following our Motto, which is to "Seek, Serve and Follow Christ", we hope to continue playing a part in transforming lives through the Foursquare program - Spiritual, Physical, Educational, Social - as well as our weekly 2pm to 6pm program, which includes:

- Prayer & Worship Session
- Bible Study
- Achievement (Cooking, Crafts, Drama, First Aid, Self Defence, etc.)
- Drill & Games

1st KL GB also offers special programs such as field trips, outdoor adventure camps and leadership training camps to enable girls to experience a wholesome development and training. To arise and shine for Jesus in every possible way is what we strive to do. We thank God for enabling 1st Kuala Lumpur Girls' Brigade Company to shine brightly in our ministry for the past 5 years since we celebrated our 55th anniversary in 2009.

Shining in Mission

1st KL Girls' Brigade does not limit our love only to our girls here in KL. We have realized over time the importance of bringing awareness about sharing love is not just within our big GB family, but to those outside too! An avid supporter of the World Vision program, we have been sponsoring girls from Nepal and Cambodia for the past few years. We have also challenged our members to do mission regularly through any means we can.

Locally, our Senior and Pioneer girls have raised funds by car wash sessions and they have then given the funds raised back to the Myanmar refugee kids in Pudu by throwing a Christmas evangelism event and giving them gifts. The joyous faces of the kids show that we do not need to travel a long distance for mission work and that we can start close to home!

Miles away from our country, we have reached out to places like Cambodia and Nepal physically by sending our very own members there! Many have expressed how much the experience has impacted them and yearned to do more. This year, we are proudly bringing a contingent of our members to the Philippines and we hope to reach out to many more in the coming years.

Shining through Music and Dance

Ever since the establishment of our handbell choir ministry, we have been honored by having the chance to bring delight to many of our listeners. We have two teams that practice weekly and we are glad that we can perform beautiful music in church services as well as other functions, to express the joy we find in our Lord.

Also, we have a colour guard performing team, where we gracefully dance and perform to music to express ourselves. Formed in 2012, we take pride that we are sharing this form of art to everyone and wowing them with the beautiful colours our flags carry.

Shining through Drill

Believing that we should appreciate the core activity that started The Girls' Brigade, 1st KL GB has emphasized the importance of learning the basics of drill for every member, from the officers to the youngest cadets. At the recent inter-state drill competitions, we are proud to have been crowned Champions for three consecutive times. There is, however, always room for improvement, and we will continue to push ourselves to strengthen our drill foundations and help every member to develop a sense of love towards drill.

First for Boys for 60 Years***Forming Characters, Developing Leadership, and Nurturing Brotherhood***

The 1st Kuala Lumpur Boys' Brigade Company, or "1st KL" for short, is the first BB Company established in Kuala Lumpur and second in Malaysia, when we were founded by Mr. Khoo Onn Soo under the sponsorship of Wesley Methodist Church, Kuala Lumpur in 1954. Celebrating our 60th birthday this year, 1st KL has a total membership of about 150 Members in three sections:

- Senior Section (ages 13-19)
- Junior Section (ages 9-12)
- Pre-Junior Section (ages 6-8)

Since founding, 1st KL has endured a tradition of excellence by preserving the twin pillars of the BB ministry, namely discipline

and Christian education, designing new social and educational programmes that are most relevant to our Members today, while keeping a vital partnership with the Church to support our Members' spiritual growth.

We are proud to have witnessed many accomplishments achieved by the Company in the last 5 years, and we would like to thank everyone involved in the ministry, one way or another, for tirelessly supporting our work and missions.
